

Our Giving Catalog showcases the positive impact that IPH's programs have on individuals and families in need

## How It Works

### 1 start shopping

Browse the catalog and check the items you wish to symbolically purchase. Featured items represent the resources IPH provides to individuals experiencing homelessness.

### 2 make a gift

Prefer to support with a check or process a credit card offline? No problem! Simply fill out and return the below form. Each purchase represents a financial gift to IPH.

### 3 know your impact

Your generosity will increase access to shelter, meals, healthcare & housing for thousands of individuals & families experiencing or facing homelessness in our community.

*Your gift will not directly purchase inventory or supplies. Each purchase will be processed as a financial donation to IPH and will be used to support our greatest need.*
